

Your playground sponsorship, at one of the following levels, will support a playground where the children of Scott City and surrounding communities can run, play, and dream! Our goal is to build western Kansas' 1st fully handicapped accessible playground. This is a lofty goal and will not happen without the partnership of individuals and businesses both inside and outside Scott County. Your tax-deductible donation can make dreams come true! Consider a donation at the level of your choice, and enjoy the many benefits of sponsorship, as outlined below:

Partner for Play **\$10,000+**
